

The U.S. and Los Angeles Chambers of Commerce will be co-hosting a premier hiring fair at Sony Pictures Studios in Los Angeles, California on Sunday, July 10, 2011 from 9:30 a.m. to 4:00 p.m. Hiring our Heroes Los Angeles will undoubtedly be the biggest and best of the 100 free hiring fairs that we have committed to hold across the country through March of 2012. We are working closely with Department of Labor Veterans Employment and Training and Service (DOL VETS), Employer Support of the Guard and Reserve (ESGR), United Way, and Military Spouse Employment Partnership (MSEP) to ensure this is a premier event for the 200 employers and 1500 veterans and military spouses expected to attend.

Registration is limited. To attend Hiring our Heroes Los Angeles, please register online at www.regonline.com/HiringHeroesinLA.

Walk-ins will be permitted the day of the event but registration will guarantee your entrance to the hiring fair. If you need help registering please contact HiringOurHeroes@uschamber.com, or call Marady Norman at 312-494-6726.
