

# Youth Employment Skills (Y.E.S)

Build your résumé and earn money for college!

Y.E.S. volunteers work in a variety of positions based upon their general interests and career goals.

*Y.E.S. is a unique volunteer program for high school students of Active Duty/ Title 10 Air Force members to earn a potential \$1000 grant by working at an on-base location, and gaining valuable employment skills while serving their local community. Students claim their “banked” grant funding upon high school graduation to be applied directly toward post-secondary educational expenses.*

**Please contact the Youth Director at your base Youth/Teen Center to learn more about the Y.E.S Program and enrollment procedures.**

This program, underwritten by the Air Force Aid Society (AFAS), is a joint effort between AFAS and Air Force Family Member Programs Flight
